EVIDENCE2 e-CODEX Action Plan

This project was funded by the European Union’s Justice Programme (2014-2020) under Grant Agreement No. 768468.
THREE MAIN LINES OF ACTIONS ADDRESSING

- Reflections on legal frameworks
- Operational realities
- Actors
  - Community involved in the issuing of requests
  - Defence Lawyers
  - ISPS and other private actors
REFLECTIONS ON LEGAL FRAMEWORKS

- Clear definition of e-evidence and difference between investigative information
- Language (in part now in place)
- Identification of competent authority (now in progress)
- Alignment of legal frameworks for a more holistic approach
OPERATIONAL AND TECHNICAL REALITIES

- Technical Reflections
  - Examples to apply the e-evidence2e-codex development
  - e.g. Platform for joint collaboration in investigations
  - Continue to work with the community to set standards for the exchange of e-evidence
ACTORS

- Community involved in the issuing of requests
  - Training
  - Needs analysis

- (Defence) Lawyers
  - Better engagement and involvement

- ISPS and other private actors
  - Investigating the future-ISP perspective
THANK YOU
